Curriculum and Instructional Support (CIS):

In support of the Meridian School District’s vision that “Each student will succeed through quality, inspirational and innovative education,” the school board is pleased to be able to offer a pilot program of Curriculum and Instructional Support (CIS) for all enrolled students. CIS is designed to allow experiences to be selected based on student’s their individual educational needs.

This program is currently offered for spring semester of the 2011-2012 school year as a provisional program. Specific guidelines and approval requirements can be found on individual school and the district website. If you have questions after reviewing the guidelines, please consult your student’s principal.
