

Welcome to MP3 and Meet the Staff

September 2, 2020

Michelle Siadal, MP3 Principal

Welcome to the start of a great year at MP3! I'm Michelle Siadal, your principal and I'm so excited along with our fantastic staff to get the opportunity to partner with you in your child's education.

As we take a slow start approach to the start of the school year, now is a great time to set up your at-home learning space as well as a learning routine. Many families will create a schedule that allows time for passion projects or learning experiences that spark joy! That's the beauty of MP3, you get to have flexibility and predictability in your day.

Ultimately, our goal this year is for your family to enjoy this time learning together. We encourage you to embrace this opportunity as your child's primary teacher. On behalf of the staff at MP3, we are wishing you all a stellar start to the school year!
