

Application Form for Participation on District Task Forces, Advisories, Standing Committees or Ad Hoc Committees

Thank you for your interest in participating in the work of the school district. We appreciate the willingness of staff, parents/guardians, students, and community members to help us review current programs, explore ideas, and develop recommendations for the Superintendent to consider. Community engagement is a priority for the district. We cannot be successful without hearing from all voices.

Task force or committee members must be ready to commit to regularly attend meetings, complete possible homework, and abide by norms for group behavior. Members will use the Code of Cooperation that follows.

Please complete the form below and return it to the district office, 214 W. Laurel Rd., as soon as possible before the posted deadline for this task force or committee. The chair/facilitator(s) will review each application and propose a group that is balanced with representation by diverse geographic regions/neighborhoods, student groups or grade levels, background/experiences relative to the task, etc. Any questions about membership selection should be directed to the chair/facilitator(s) for the group. For information about the chair/facilitator(s), the membership and the timeline for any task force/committee, please visit www.meridian.wednet.edu/meridian-committees-advisory-groups/.
