

# IRE Building A Gym – Layout Form

The diagram illustrates the layout of a gym floor. It features a large rectangular area with a thick black border. A vertical line runs down the center, intersecting a large circle. On the right side, there is a rectangular area labeled "STAIRS" with four horizontal lines above and below the text. To the right of the stairs is a vertical rectangle labeled "STAGE". The top and bottom corners of the main rectangular area are marked with diagonal lines.
