5:30 p.m.	Introduce Policy 2023	Group will review Policy 2023: Digital Citizenship and Media Literacy	Review and notes about Policy 2023. Notes: Need to tie Student Instruction to MSD Commitments & vision for all students Discussion around accessibility and diversity Want to ensure it's ALL K-12 students, laying the foundations of media literacy and digital citizens all the way through BEFORE 9-12 using AI tools Wondering if younger students know that AI exists in their programs already? Do we need another statement about communication & parental engagement in their understanding of AI? Where are staff with things? PD? Digital Citizenship scope & sequence is in place, CommonSenseMedia as the main source K-12→ AI can be built in to this scope & sequence when talking about ethical

			use, digital balance, mental health, SEL, etc. → has to be taught, not optional Digital Media Literacy must live embedded into core content classes, OSPI standards will be released in Jan 2026, need to tie to EdTech/ISTE standards
6 p.m.	Discussion re: Policy 2023	Discuss and share what they liked, wondered and what questions they have.	Notes and discussion will be gathered to create a draft of Policy 2023 for Meridian.
6:30 p.m.	Meeting close	Next steps: Draft of Policy 2023 prepared for December meeting, will gather staff feedback to share with the advisory group.
